

PLATINUM SUB

IN-ROOM SUBWOOFER

PLATINUM SUB IN-ROOM SUBWOOFER

Triad's In-Room Platinum Sub dominates the subwoofer domain, with an 18" driver designed to deliver professional cinema sound. Hear and feel thunderous bass with control and accuracy—experiencing the compelling low frequencies that enhance and enrich movie soundtracks and music alike.

This speaker delivers unmatched performance with a studio-grade driver and sealed, internally braced enclosures. A long-throw woofer produces enhanced output and substantial impact with ultra-low distortion. Triad's subwoofers combine superior quality and efficiency, completing your soundscape with precision and power. In an industry of generic, mass-produced products, Triad's handcrafted sealed-box enclosures deliver detailed acoustics and effortless playback.

Triad offers a perfectly matched amplifier for this subwoofer—the RackAmp 700. This amplifier has been optimized with Digital Signal Processing and tailored to complete your soundscape with precision and power in any application or environment.

Experience the cinematic atmosphere delivered by deep, robust bass as Triad's Platinum Sub renders low frequencies—inaudible in other systems—with deep visceral impact.
