## CONTROL4® HALO REMOTE

C4-HALO-BL

Halo is the new 'everyday' universal smart remote by Control4. The handheld device includes a host of user driven features including a 2.8" color display voice-control, extended battery life, WiFi 2.4 and 5GHz support, and a redesigned UI with new interaction options. Halo remotes also feature end-user install capabilities and OvrC integration that reports battery life and Wi-Fi connectivity data. With a generational leap in functionality and a refined design, Halo will redefine the user experience.
