

Description

Leon’s premium Axis AxV60 in-ceiling speakers offer a perfect mix of flexibility and performance. To accommodate a wide variety of design aesthetics, each speaker comes with a round or square grill which can be custom painted to match any wall color. Featuring 6” woofers and 1” silk-dome tweeters, Leon’s Axis AxV60 is the perfect complement to our Horizon or Profile Series speakers to round out a 5- or 7-channel surround sound system.

Recommended with Aaros A10-UT, Vault v44UX

Key Features

- 6” high-performance woofer and 1” articulating silk-dome tweeter provides articulate high-end and refined bass
- Sealed and tuned enclosure prevents sound from traveling into other rooms
- Available with either a square or circle magnetic grill (ships standard with circle grill)
- Custom painted grills available to match any color code or paint swatch
- Easily accessible EQ switch to tailor the sound to the room
- Available with pre-construction brackets
