STRONG

VersaMount™
In-Wall Articulating Mount

The VersaMount is Strong's best and most versatile mount yet. Available in three different sizes and precision-engineered, these mounts will take your viewing experience to the next level.
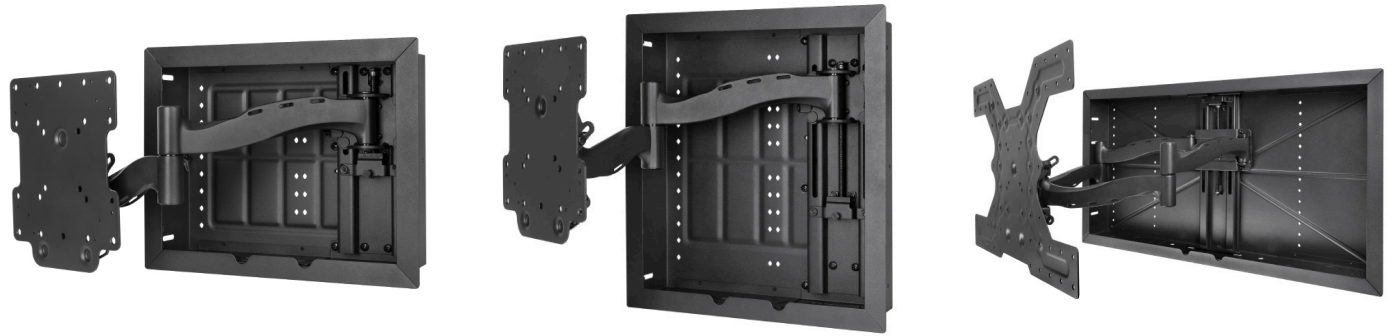

The Perfect Fit
The Strong VersaMount features up to 5" of post-install vertical travel with patent pending TorcMotion™ technology plus 11 degrees of roll adjustment for precise alignment.

Low-Profile in Motion
Achieve a flush low profile with the versatility of a fully articulating mount. The nesting arm of the VersaMount can extend up to 16" with 19 degrees of down tilt and 180 degrees of swivel/pan for the perfect look.

A Clean Install
The VersaMount features an integrated VersaBox, built-in wire management, and compact WattBox compatibility so you can power all of your TV gear while it stays hidden behind the wall.
