ICON LEGEND

Architettura Sonora products are generally suitable for outdoor installation. In this price list, you will find indications specifying when their use in covered areas or indoors is strongly recommended.

ACOUSTIC		
	FULL RANGE	The product is available in the full range version
	SUBWOOFER	The product is available in the subwoofer version (with built-in crossover)
	SATELLITE	The product is a satellite requiring the use of a subwoofer
IMPEDANCE		
  	4-8-16 OHM	Indicates the speaker impedance
TECHNICAL		
	CROSSOVER ON BOARD	The product is supplied with a built-in crossover
	DSP REQUIRED	The product necessarily requires the use of an external DSP (settings available upon request)
	TWO AMP CHANNELS	The product necessarily requires two amplification channels
	HIGH IMPEDANCE	The product can be requested in the high impedance 100/70V version (optional)
OTHERS		
	LIGHTING MOOD	Indicates the presence of lighting or the option to order it as an add-on
	NYLON COVER	Indicates the presence of a black nylon cover
	NANO-TECH FILTER	Indicates the presence of the Anti-Splash & Sand Proof Filter with Nano Technology
ENVIRONMENTAL		
	ONLY INDOOR	The product can only be used indoors
	COVERED AREAS	The product can be used indoors and in covered outdoor environments

ALL ABOVE MENTIONED MODELS ARE PRICED FEATURING THIS HANGING SYSTEM

<p>The hanging steel cable is the perfect solution to mount the speaker by using a really sleek system, which combines the supporting steel and the audio and light cable.</p>	 <p>The Hanging Steel Cable system</p> <p><i>The dowel screws are only indicative</i></p>	<p>The hanging steel cable is supplied with the Ceiling Rose (matt black is the standard version), which allows you to hang the loudspeaker like a standard suspended lamp (see drawing here).</p>
--	--	--

**** Hanging Spherina_Air is the responsibility of the installer.
Providing a second anchoring system is highly recommended.
For any further details, please refer to the Architettura Sonora's Instruction Manual**

RSW	 <p>Ceiling Rose - Matt White version</p>		€ 22
COVER-SF300-P	PVC Premium Cover		€ 220

ALL ABOVE MENTIONED MODELS ARE PRICED FEATURING THIS HANGING SYSTEM

The hanging steel cable is the perfect solution to mount the speaker by using a really sleek system, which combines the supporting steel and the audio and light cable.

The Hanging Steel Cable system

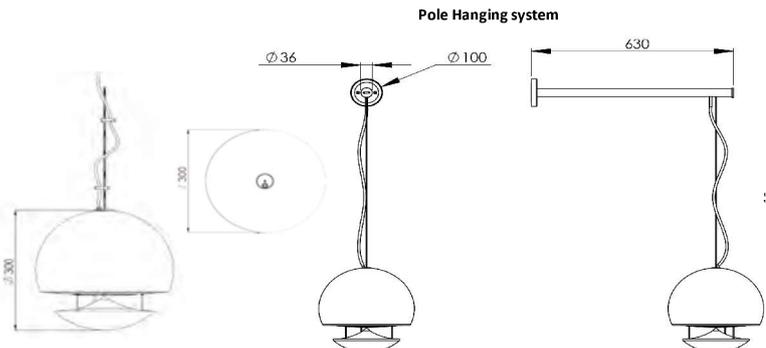

The hanging steel cable is supplied with the Ceiling Rose (matt black is the standard version), which allows you to hang the loudspeaker like a standard suspended lamp (see drawing here).

The dowel screws are only indicative

The hanging steel cable is the perfect solution to mount the speaker by using a really sleek system, which combines the supporting steel and the audio and light cable.

**** Hanging Spherina_Air is the responsibility of the installer.
Providing a second anchoring system is highly recommended.
For any further details, please refer to the Architetura Sonora's Instruction Manual**
