Mounted to Perfection

Strong® Carbon Series Mounts come in a range of styles to optimize viewing. Multiple viewing angle adjustments and post-install leveling ensure you always have the best view.

UL Certified for Total Peace of Mind

UL is a worldwide organization that ensures the safety of consumer products through rigorous testing. All Carbon Series Mounts are UL certified for strength and durability, so you never have to worry about the security of your mounted TV.

User-Friendly Features

Carbon Series Mounts easily adjust to create the perfect viewing angle, and the unlocking mechanism stores out of reach for added safety. Plus, cables and equipment remain out of sight with our rear storage options.

Flawless Installation

Carbon Series Mounts feature exceptional pre- and post-install adjusting, allowing for subtle modifications that perfectly align TVs with mantels and ceilings.

Dual-Arm Articulating

Available Sizes: L, XL

The Strong® Carbon Series Dual Arm Articulating Mounts offer 23" (L) and 28" (XL) of arm extension, and 180-degree swivel. They are UL tested at 4 times the weight capacity to ensure they can safely support TVs weighing up to 150lbs (L) and 200lbs (XL). The mount is equipped with a slew of slots across the wall plate to ensure you hit a stud in any situation.
