

# MINI LCR SOUNDBAR (SE)

ON-WALL SPECIAL EDITION 1.0, 2.0, 3.0

## MINI LCR SOUNBAR (SE)

ON-WALL SPECIAL EDITION 1.0, 2.0, 3.0

Triad's Special Edition Mini LCR Soundbar features the same discreet style as the Mini LCR with upgraded drivers for higher output and acoustic quality. These sleek speakers integrate seamlessly with shallow televisions, delivering intricate, low-distortion audio to complement today's high-resolution video content. Combine exceptional audio and aesthetics with custom designs, offering lengths to match your television and custom finishes to match walls, millwork, and other décor.

With 4" drivers and high-performance one-, two-, and three-channel versions, the Mini LCR (SE) produces authentic front-channel audio and is voice matched for consistent sound. Pair with a Triad subwoofer as well as additional sat/surround speakers for complete surround sound.

In an industry of generic, mass-produced products, Triad's soundbars combine craftsmanship and customization, preparing products according to every order. Each speaker is handcrafted with proprietary drivers and a fully damped, braced enclosure for detailed playback. Providing subtle elegance while retaining the integrity of sound, Triad soundbars take your movie experience to a new level.

## FEATURES

- Audiophile-quality drivers
- Veneer finish and custom lengths available
- Easy-mount installation
- Fully engineered MDF enclosure
- AcoustiPerf metal grill
- Acoustic suspension
